

ELIGIBILITY TO REGISTER

To remain eligible to register, a student must maintain the satisfactory levels of academic progress published in the University catalogs, and must have no delinquent obligations to the University, either academic or financial.

The Academic Calendar lists the registration schedule for each semester and summer session. The student may change his/her schedule within the period prescribed in the Calendar, using forms available in the Registrar's Office. The student must satisfy his/her financial obligations to the University to complete registration.

New students who have met the University's admission criteria are invited to register on their designated days.
